Dear Menandro,

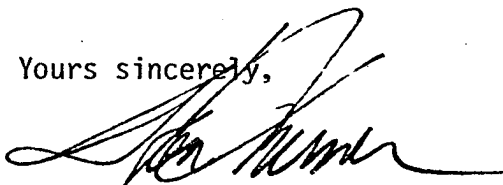

How nice to hear from you after all these years. I still recall and appreciate all the support I received from you and our other shipmates on the HORNE.

My staff has been in touch with the Bureau of Personnel regarding your present assignment. BUPERS advises that you are scheduled for rotation in September 1979. At that time it is possible that you may be assigned to the West Coast or perhaps to a ship homeported in Japan. Since the Navy has just moved you to Great Lakes, it is very unlikely you will be moved again prior to your scheduled rotation date.

Since there is very little I can do to influence this decision, I recommend you keep your preference cards updated and keep BUPERS advised of your desire to transfer back to the West Coast as soon as possible.

Good luck and best wishes.

Yours sincerely,

STANSFIELD TURNER
